Swedish 60 minutes ~ \$80 or 90 minutes ~ \$120

Traditional fluid Swedish movements interspersed with therapeutic techniques are used to soothe tender muscles and encourage relaxation. Long, kneading strokes are performed across the body and on specific muscle areas, leaving the entire body in a calm and blissful state.

Golfer's Edge Sports Flex 60 minutes ~ \$90 or 90 minutes ~ \$135

Specifically for athletes and other active individuals, this massage combines Russian Sports Massage techniques with targeted stretching to relieve sore muscles and increase flexibility. Areas needing specific attention are wrapped in a cooling gel for an immediate feeling of comfort and refreshment. Microcirculation is stimulated, encouraging cellular exchange and lymphatic flow for toned and invigorated muscles throughout the body.

Reflexology 60 minutes ~ \$85

Reflexology is based on the principle that there are areas in the feet and hands which correspond to different parts of the body.
